## About Nalka:

Welcome to **NMIPL** (Nalka Metal Industries Pvt Ltd) Your Premier Destination for Quality Bathroom Fittings in India

Nalka Metal Industries Private Limited was formed in the year 2020 but it has been living in soul since 1975; the name may be new but not our roots in this business.

The country was trying to bounce back out of lockdown, and we thought of doing something different with our ancestral business. Our elders started this business back in the 70s, which was taken over by the 2<sup>nd</sup> generation at the start of the 21<sup>st</sup> century, and until the year 2020 business was being run as 4 different proprietary firms being operated in Faridabad.

Being retailers ourselves for over 40 years, we understand the challenges faced by small/mid-size retailers on a day-to-day basis, and NMIPL is committed to helping them grow their business while taking care of their material and logistic challenges.

At Nalka Metal Industries Pvt Ltd, we are more than just a bathroom fittings company; we are your trusted partners in elevating the aesthetics and functionality of your bathroom spaces. We are proud to be your one-stop solution for an extensive range of bathroom accessories, PTMT taps, and bathroom gratings, all designed to transform your bathrooms into stylish and functional havens.

We support hundreds of retailers currently across Delhi NCR and the list of growing with each passing month.

NMIPL is committed to using technology to drive innovation in this field and reach out to maximum retailers across India, with the vision to help them get better brands at competitive prices and drive innovation through technology.

All in all, NMIPL has managed to keep pace with the evolving dynamics of niche e-commerce wholesale in India. It is considered a winning example by many entrepreneurs, as well as business experts across industries.

NMIPL's core values include:

- 1) Supporting small/mid-size retailers with technology innovation.
- 2) Creating strong relationships with channel partners through effective customer service.
- 3) Focusing on operational efficiency to add value to our channel partner's success.
- 4) Do the business by only ethical means and complete transparency.
- 5) Work as a close-knit group with a vision to grow product base and territory we support.
- 6) Payback to society in general through our various CSR initiatives.

## Who We Are

Established in the heart of Faridabad's manufacturing hub, IMT Industrial Area, Faridabad, Haryana, Nalka Metal Industries Pvt Ltd has been a beacon of quality and innovation in the bathroom fittings industry.

Our story is rooted in a passion for delivering excellence and a commitment to making quality products accessible to all. Your journey to the bathroom of your dreams begins here.

## What Sets Us Apart

**Quality at its Best:** We are driven by a relentless pursuit of quality. Every product that leaves our manufacturing facility is a testament to our commitment to excellence. We believe that quality should never be compromised, and our range of bathroom fittings reflects this principle.

**Affordability for All:** At Nalka Metal Industries Pvt Ltd, we are passionate about making high-quality bathroom fittings affordable. We understand the value of your hard-earned money and strive to provide the best products at the lowest possible prices.

**Wide Range of Products:** Our extensive product catalogue covers all your bathroom needs. From sleek and functional PTMT taps to durable and elegant bathroom gratings, we offer a diverse array of choices to cater to your unique preferences and requirements.

**Made in India, for India:** We take pride in our "Made in India" label. All our products are manufactured locally, contributing to the growth of the nation while ensuring the highest standards of craftsmanship.

## Why Choose Nalka Metal Industries Pvt. Ltd.

**Unmatched Quality:** Our products are built to last, offering you the assurance of long-lasting performance and style.

**Affordability:** We believe in fair pricing, making high-quality bathroom fittings accessible to everyone.

## Why Choose Nalka Metal Industries Pvt. Ltd.

**Diverse Range:** Our product range is extensive, ensuring that you find the perfect fit for your bathroom.

**Sustainable Practices:** We are committed to environmental responsibility and employ sustainable practices in our manufacturing processes.

**Customer-Centric Approach:** Our dedicated customer support team is always ready to assist you with any queries or concerns.
